

A group of four people (three men and one woman) are gathered around a long table covered with numerous glass and crystal awards. They are all looking at the awards with interest. The man on the left is gesturing towards one of the awards. The woman in the center is smiling. The man on the right is leaning over the table. The background shows shelves filled with more awards and trophies, creating a sense of a trophy room or a museum. The lighting is bright and even.
